Marco Pierre White Steakhouse Bar & Grill

Carve out a niche and deliver it well, that's the ethos at Marco Pierre White Steakhouse Bar & Grill.

Opened in 2012, the venue spreads across the whole of the 25th floor of the iconic building, and offers panoramic views through floor to ceiling windows, as the city's only skyline destination.

The breathtaking views make the restaurant a must-visit for celebrities and locals alike.

Haig Club Bar

Another hidden gem at the top of The Cube is The Haig Club Bar, a room that challenges the stereotypes of whisky.

The David Beckham endorsed brand has spaced its authority on the space, decking the 34-seater bar out in copper and blue brand colours, and a specially curated drinks menu, showcasing whisky in

all cocktail forms. The sun rises on the Haig Club Bar, and as the afternoon becomes the evening, the bar's illuminations make it a spectacular and intimate setting.
